Theatre Seats

1,280 seats

STAGE SEATS

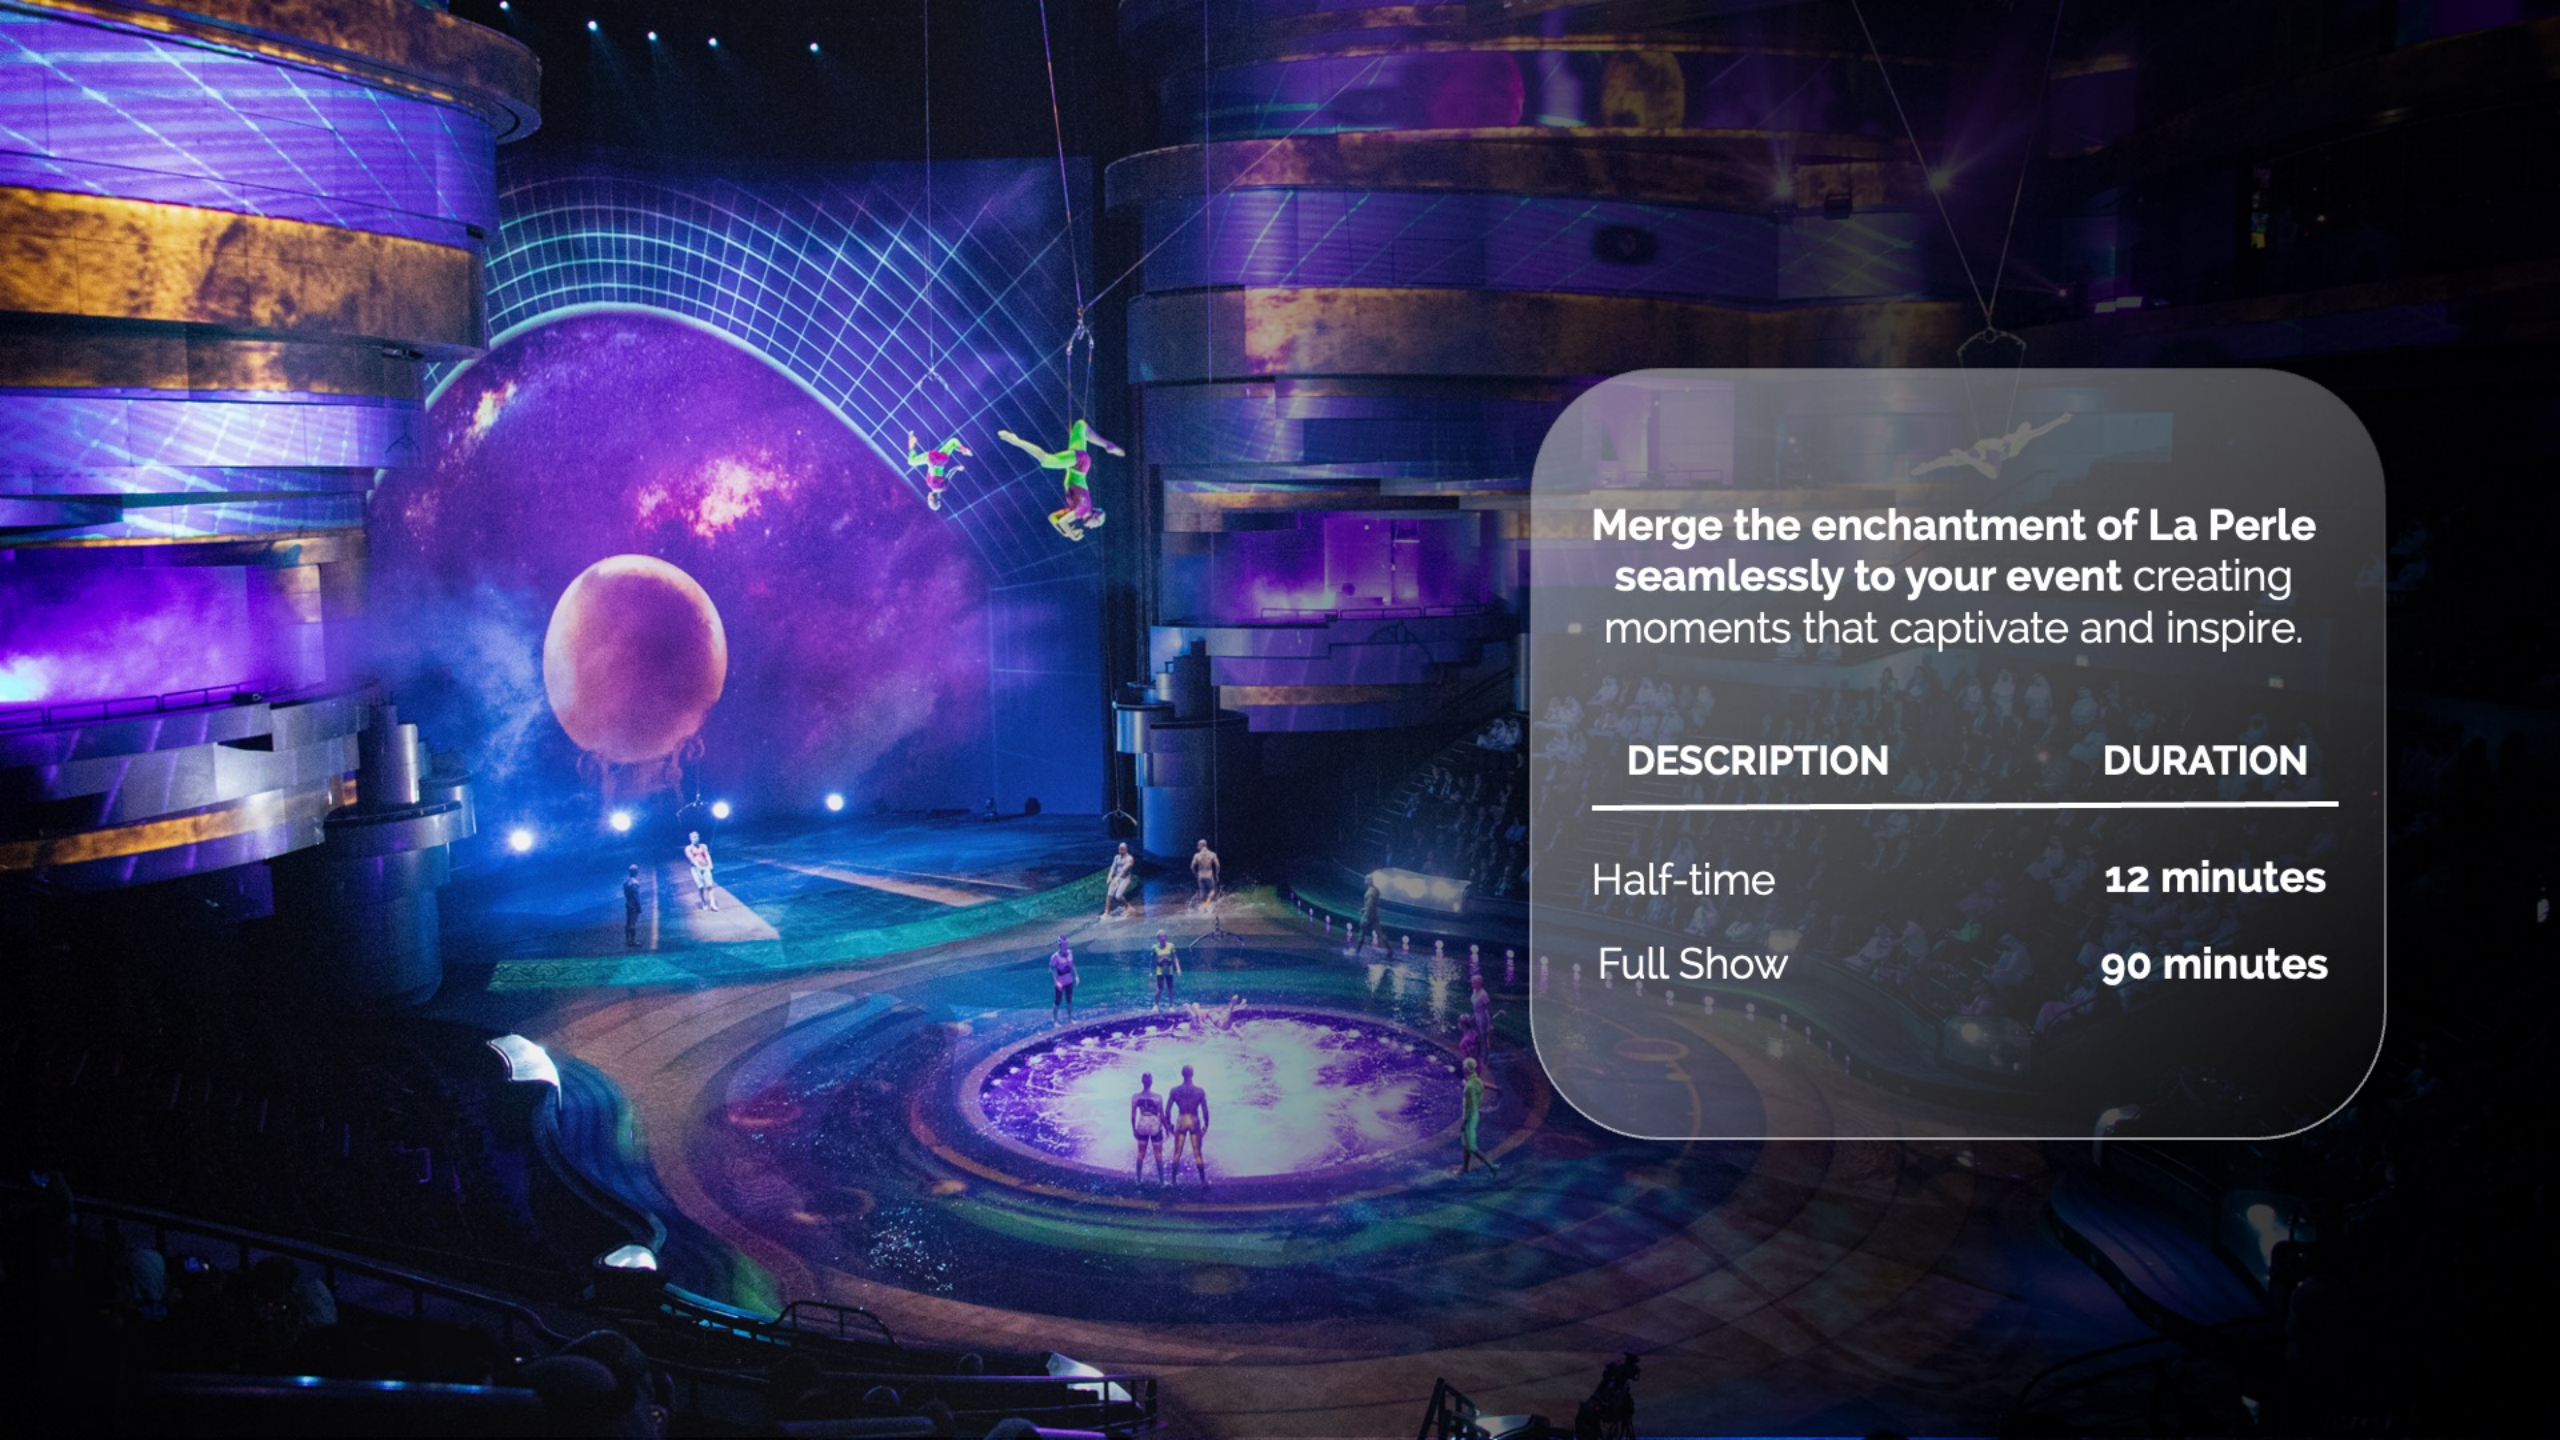

A futuristic theatre stage with a large glowing sphere and colorful projections. The stage is dark, with a large, glowing sphere in the center, emitting a bright purple and orange light. The sphere is surrounded by colorful, ethereal projections of light and smoke. The stage is flanked by two large, curved structures that resemble futuristic buildings or stages, with blue and orange lighting. The overall atmosphere is immersive and high-tech.

The theatre **enables immersive branding** to enhance your experience

THEATRE FEATURES

- Projectors, Intelligent lighting fixtures, follow spots
- AI Acoustic sound system with 75 speakers/sub-woofers
- Full technical and stage team to coordinate event details
- PowerPoint & video projection

Merge the enchantment of La Perle seamlessly to your event creating moments that captivate and inspire.
